Hi. Yes, shorter/tighter would be good, but can you also please add a bit more on the briefing itself? What kinds of ?s were asked, was the briefing friendly or adversarial, were more ?s to NOAA or to EPA? To make room for that maybe you can significantly shorten the last two sentences and combine them.

Thanks,

Hi Mike,

This is a bit longer than the example below, let me know if you'd like me to edit it down.

Thanks!

Hi Julia,

Debbie Jordan is requesting a brief write up of the HNRC briefing for our regional weekly report which goes to HQ today. Can you please whip something up? Possible to get it to me by noon? See below for example of another item, so you can see target format and length. May be good to include in the item a sentence on other SoCal/DDT news (maybe note our response to Sen Feinstein office and the CBD lawsuit which is getting press). SEMD is aware that OPA is doing this - I'll let them know FYSA when you send a draft.
